

TOWN OF CLAYTON
Amendment to the Code of Ordinances: Chapter 51
Water and Sewer System Extension Policy

BEING HEREBY ADOPTED BY THE TOWN COUNCIL FOR THE TOWN OF CLAYTON, NORTH CAROLINA that the following text shall be amended to the Code of Ordinances:

Amend Section 51.21 DISCRETION OF TOWN to read as follows:

The town may extend water and/or sewer lines inside the town in its own discretion in the following circumstances:

(A) *To alleviate health problems.* When the Johnston County Health Department certifies to the town that a health problem exists in a certain area, the town may order the extension of water and/or sewer lines if said extension will alleviate the health problem. The town may finance those extensions through the assessment of adjacent property owners under the same procedure set out in § 51.24 or through water and/or sewer fund proceeds.

(B) *To serve petition projects.* Upon receipt of a valid petition, the town may order the extension of a water and/or sewer line to serve the areas petitioned even though the property owners between the exiting water and/or sewer lines and the requested service area have not entered into the petition for water and/or sewer service. The properties to be served as a result will be assessed under the same procedure set out in § 51.24.

Duly adopted by the Clayton Town Council this 6th day of September 2011, while in regular session.
