

TOWN OF CLAYTON

Special Event Application

A special event is a happening or social activity such as a festival, concert, sporting event, parade, walk or run bringing people together in a defined area on Town property, public right-of-way, or private property. Special events generally require Town services. Events at public parks may or may not need to go through the Special Event Application process– at the discretion of the Parks and Recreation Department. Applications and events are prioritized based on a first-come, first-serve basis and the Town may approve or disapprove an event’s requested date based on availability of Town resources. Events that occur successfully on an annual basis will receive priority consideration the following year.

Applicants who are not requesting a road closure(s) must submit applications 90 days before their event. Applicants who are requesting a road closure(s) must submit applications 120 days before the event. Special Event Applications may be submitted up to two years in advance. Please do not advertise or assume approval of a Special Event Application until you have been issued a Special Event Permit.

Please schedule a meeting with Special Events Coordinator Amy Shearin to turn in your application in person. Call 919-553-1555 or email ashearin@TownofClaytonNC.org

The Special Event Coordinator will contact the applicant within 30 days of receipt of a completed application and applicable fees paid. If necessary, a meeting will be scheduled between the applicant(s) and Town staff to discuss the proposed event. An approval/denial decision will be provided to the applicant(s) once all criteria has been met. Only once all applicable fees have been paid will a Special Event Permit be issued.
