Fall/Winter Edition 2023

TOWN MANAGER HIGHLIGHT

Rich Cappola was officially named Town Manager on October 3, 2022.

Greetings,

As the Town Manager of Clayton, it is my pleasure to welcome you to the first edition of our community newsletter. This newsletter will be provided to you quarterly and will also be available on our Town website.

In this edition of the newsletter, you will discover key updates on crucial projects, community events, and other exciting news that is shaping our town's future.

I encourage you to explore this quarter's edition thoroughly to ensure that you remain well-informed about the latest developments and initiatives.

Your role in Clayton's journey is greatly appreciated, and together, we will continue to grow and succeed.

Best Regards,

LOOSE LEAF SEASON

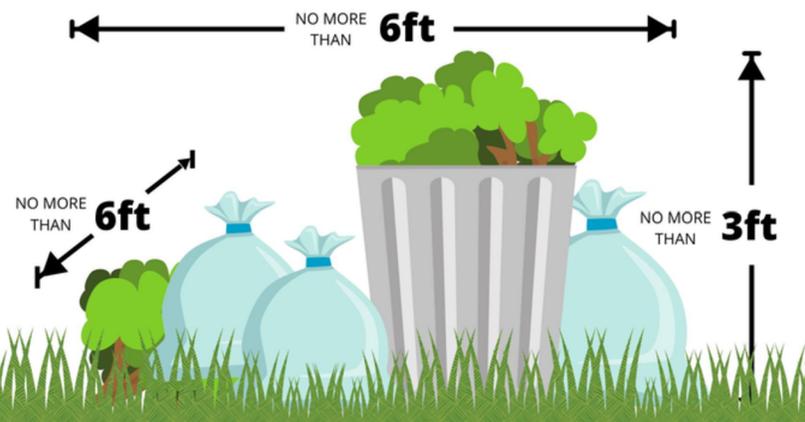

October 1st - January 31st

Loose leaf pickup services will take place on the business day that follows your regular trash pickup day. During the peak season, when there is an excess of wet leaves, there may be a delay in leaf pickup services.

When All Star Waste Services collects your leaf waste, follow the guidelines listed below:

- All yard waste piles must be no larger than 6'L x 6'W x 3'H. If you have existing piles that are larger than this, they must be broken up into smaller piles before they can be picked up.
- Larger tree limbs must be cut in 2-foot lengths or less with no piece weighing over 40 pounds.
- Commercial tree cutting work is not eligible for pick up. The company doing the work must remove this type of debris.
