

TOWN OF CLAYTON

INSPECTIONS DEPARTMENT

111 E. Second St. • 27520

PO Box 879 • 27528

Phone: 919-553-5002

Conditional Power/Gas Application

*Please review carefully and acknowledge the conditions of the agreement. Violation of any of the terms will result in an immediate revocation of the privilege. Reading these carefully, and fully informing your staff and subcontractors, can eliminate any possible conflicts. We do hereby release and agree to indemnify, save and hold harmless the Town of Clayton and its employees from any and all liability due or arising from the Town of Clayton causing the electrical / gas utility disconnection to the premises. Conditional service is issued solely as a courtesy for the completion of construction and **THE BUILDING IS NOT TO BE OCCUPIED UNTIL A CERTIFICATE OF OCCUPANCY** is issued by the Town of Clayton Inspections Department. Any violation of the above will automatically void conditional service.*

CONDITIONAL POWER TYPE BEING REQUESTED TO BE ENERGIZED FOR CONSTRUCTION PURPOSES. PLEASE BE SPECIFIC.

| | |
|------------------------|------------------------|
| Outlets - Electricity | HVAC- Gas |
| Lighting - Electricity | Elevator - Electricity |

REASON FOR ENERGIZING ELECTRICAL SYSTEM

| | |
|--|---|
| | Energize one (1) GFCI protected circuit (due to distance from temp pole board) |
| | Energize entire installed building system for testing purposes (prior to final electrical inspection) |
| | Other: |

TEMPORARY ELECTRICAL POWER REQUIREMENTS

- The grounding electrode system must be complete
- The building service and the electrical system to be energized must be complete
- The building must be secure and lockable
- The electrical switchgear and panels must be lockable or the electrical equipment room(s) must be lockable
- All 125 volt circuits authorized must be GFCI protected from the point of origin (breakers), except lighting circuits that are protected from physical damage
- All single phase receptacle outlets used for construction purposes must be GFCI protected

The undersigned agrees to abide by the aforementioned stipulations and understands failure to comply may result in the revocation of this contract.

APPLICANT AFFIDAVIT

By my signature to this document, I agree to the following conditions:

1. Full and complete responsibility of the energized electrical system, its use, and all equipment connected thereto; and maintenance of a safe working environment during the completion of the construction.
2. That service will be authorized for connection by the power utility only after the electrical final inspection is approved (no partial approvals).
3. That the dwelling or building must be secured against unauthorized entry (all doors & windows installed).
4. That no furniture or personal possessions will be placed in the dwelling, garage or any other portion of the dwelling.
5. That no occupancy will be permitted until a Certificate of Occupancy is issued.
6. That electrical service will be in the same name as the contractor/owner indicated above.
7. That any violation of these terms will result in an automatic revocation of this privilege.
