

Nature Badge

Choose 2 activities to complete

- [360 Park Tour](#): Visit a National Park and let us know 1 cool fact about the park you visited
- Take a walk around your neighborhood and pay attention to what's growing and blooming.
- Pack a picnic and visit [Clemmons State Park](#) right here in Clayton. Which trail did you take?
- Keep a nature journal: choose a spot to observe (this can be a window, a porch, a yard, etc) and just take notes for 5-10 minutes. Observe at different times of day or several days apart.
- Paint some rocks for your garden [Rock painting](#)
- Make [wildflower seed bombs](#)
