SPECIAL EVENT PERMIT APPLICATION

Pursuant to the adoption of the Special Event Policy on November 7th, 2016, proposed Special Events must apply for a Special Event Permit from the Planning Department. Special Event Permits are subject to the fees established within this policy. These fees must be paid prior to issuance of the approved permit.

Applications must be submitted with one (1) copy of a site plan depicting the special event location, an Owner's Consent Form and the \$100.00 application fee (if applicable). All fees are due when the application is submitted. NOTE: If the event is to be held on public property, approval to use the property must be obtained from Town Council; therefore the application must be submitted 90 days prior to the event.

A Special event a non-routine happening or social activity such as a festival, concert, sporting event, parade, walk or run bringing people together in a defined area on Town property, right of way, or private property. Special events generally require Town services to ensure safety and coordination. Applications and events are prioritized based on a first come-first served basis and the Town may approve or disapprove an event's requested date based on availability of resources. Events that occur on an annual basis will receive priority the following year.
