**GREENWAY BRIDGE
UNDERGOING REPAIRS!**

BRIDGE OVER NEUSE CLOSED MON. & TUES.

**Work begins Monday, June 10
Bridge re-opens Wednesday, June 12
(weather permitting)**

We're repairing damaged decking on the pedestrian bridge span over the Neuse River, thanks to a resident who reported the damage to us! Bicyclists, runners and walkers will not be able to cross the bridge during these two days of repair. The greenway parking lot and trailheads will remain open and users can continue in both directions until they reach the bridge. Users who would like to travel up to Wake County/Raleigh should NOT use the Sam's Branch trailhead parking area, as you will not be able to cross the bridge to connect to the Neuse River trail in Wake County. Instead use the Clayton River Walk on the Neuse trailhead.
